Floor Plans and Rates:

During the summer, Casas del Rio leases per bed space, per week. The contract will need to be paid in **one installment** before keys will be issued. Payment should be made by either check or money order and made payable to "Casas del Rio" with the first and last name printed on the memo/purchaser line. Should you wish to pay by card, there will be a \$19.95 service fee applied to the card when paying online (connect.studenthousing.com). Cash or credit cards cannot be accepted at the front desk. So please plan accordingly. Shared units will have the potential to have a total of four individuals occupying the space. Management will organize all unit assignments based on gender listed on your picture ID. **Please indicate when you apply that you will be with the Scholars.**
