

**Albuquerque (ABQ) – Kirtland Air Force Base (AFB) Area  
Summer Housing Resources**

NOTICE: AFRL and USRA do not endorse or have affiliation with any of the below listed companies or websites.

The following listings are provided as a courtesy to AFRL Scholars Program interns.

**Kirtland AFB is located on Gibson between Carlisle and Louisiana.**

If you have any questions regarding a specific area, please email the Kirtland AFRL Program Coordinator at [afrl.rvrd.1@us.af.mil](mailto:afrl.rvrd.1@us.af.mil). The Program Coordinator cannot provide information regarding any rental properties. Generally, depending upon the morning/evening traffic, and the time of the morning/evening that you travel, the commute can take 15-30 minutes from most areas in Albuquerque.

In the past, many scholars have resided at UNM area community housing, only 5 miles from Kirtland AFB. Staying in these communities promotes friendships, social connections for down-time and activities, carpool opportunities, and builds a community “hub” for the internship program that we would like to encourage. Please note that move in/move out dates for community housing may differ

from your internship start/end dates, requiring that you find alternative lodging for a short time at the start or end of your internship. Contact the leasing agents directly to inquire about early arrival or extended stay dates.

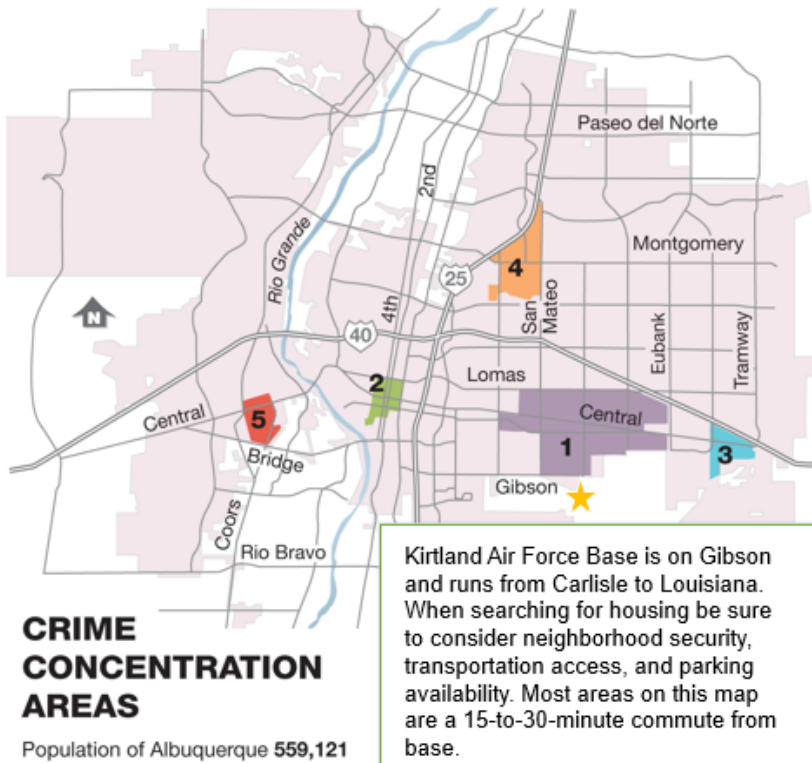

**Questions to consider** during the housing search:

- Does the property offer short-term leases? Pay attention to “move-in” and “move-out” dates.
- Pay attention to requirements to notify management of your move-out date - don’t assume they just know. If you don’t notify them appropriately, you could be responsible for another month’s rent.
- What are the lease terms for the property?
- What is the surrounding community like (i.e., neighborhood, security issues, transportation access, etc.)?
- Will you need a furnished residence?
- How far is the commute to your worksite?
- What amenities are available at the property?
- Are utilities included in rent costs or do they need to be set up separately?
- What is the total cost? Are there any additional fees or deposits?

**More information** for selected scholars:

- If selected, a link to a *closed group Facebook page* will be provided to you. Scholars are encouraged to use this resource to discuss housing, find roommates, and coordinate transportation, if needed.
- AFRL Scholars Program Administration is not liable for any housing costs incurred by the interns.
- For those scholars selected for projects at AMOS, AFRL Scholars Program Administration will provide further information regarding housing and transportation.
